To Whom It May Concern:

Deborah Chambers Chima, President of Chambers Consulting Group, Ltd. facilitated the workshop "Choose to Lead" at the 2005 Annual Conference for the McDonald's Women's Leadership Network (WLN) in August 2005. There were over 500 attendees.

Our conference theme was "Create Your Opportunity – Lead for Success". Using her book and wealth of experience, Deborah provided advice, tools and strategies for developing leadership skills. Attendees were challenged to utilize these skills in their personal and professional development.

Sincerely yours,
